2007 Summer Course Participant Registration Form

Complete this form to register for the MEC summer courses that are being offered by the Greater Birmingham Mathematics Partnership (GBMP), a project funded by the National Science Foundation Mathematics Science Partnership program (award #0632522). Return the completed form to your district liaison: Seth Goldman (Bessemer), Barbara McCamby (Fairfield), Betty Winches (Homewood), Ron Dodson (Hoover), Peggy Harrell (Jefferson), Jackie Simons (Mountain Brook), Betty Edwards (Shelby), Pat Hodge (Trussville), Karen DeLano (Vestavia).

Registration Fee: These courses are FREE to participants. The tuition costs of $720 per course will be paid for each participating teacher by GBMP. Note that, once a registration is accepted, the tuition that GBMP pays for the teacher will not be refunded if the teacher does not attend the course. With limited grant funds, we rely on those who have registered to attend and fully participate.

Participant Stipend: Each participating teacher will be paid a stipend after the conclusion of each course. The stipend amount is figured on the basis of $80/day for each full day of course participation plus $40 for completing the orientation session (half-day session only for grade 5-8 teachers prior to first course).
